

CREATIVE PARTY

Are you looking for a unique way to celebrate your child's birthday or any other special occasion? A creative party at Mobile Art Club is your answer!

Everyone invited to the party will have a great time learning how to produce a beautiful painting that will be taken home at the end of the class and hang up proudly on a wall.

We simplify the process of organizing a successful party! Bring your snacks, drinks and cake and we supply the music, entertaining painting session & even clean up afterwards! Plus, each of your guests leaves with their own masterpiece to remember the special occasion so there is no need for party bags!

PRICE: **£18 per child** (Maximum of 17 guests and minimum charge of 10 attendees). After 10 children any additional students cost £12. The art class is **1.5 hrs** (**+30 mins** for food and cake afterwards).

All art materials including canvas and paint will be provided. Birthday decoration is also included in the price as well as a personalized e-invitation to email to your child's friends.

Our children's creative parties will bring a fun experience in a very friendly atmosphere. To reserve your class please pick the time, date and painting theme of your choice and make a £50 deposit.

We will make sure everyone invited to your party enjoy it and finds their inner Picasso on such a special day!
