

TERM TIME CLASSES

Have fun and explore new and exciting ways to create works of art. This course will encompass various drawing and painting techniques using a wide variety of materials such as collage, acrylic, printing and drawing media. Students will be introduced to creative techniques and compositional exercises designed to inspire them to loosen up in both representational and abstract compositions.

With experimentation and observation, students will be encouraged to discover their own style.

Beginners are welcome!

Canvases, acrylic paints and brushes set are not provided. However you can get these materials from the following art shops:
